16:45–17:00: GRASS Foundation; Catherine Carr, University of Maryland, USA.

17:00–17:15: Medical Research Council Neuroscience and Mental Health Board: Zoltan Molnar, University of Oxford, U.K.

17:15-17:45 Coffee break

Workshops for foundation of LATBrain Initiative

Saturday 31st August

17:45-20:45

I) 17:45 - 19:15
Plenary workshop

LATBrain objectives

II) 19:15-20:45
Parallel workshops

LATBrain Organization &
LATBrain strategic plan of activities &
LATBrain Advocacy strategy to ensure long-term funding.

Other topics: Outreach, Neuroethics & History of Latin American Neuroscience

Sunday 1st September

IIBCE

Ethics for Artificial Intelligence

09:30 – 10:00

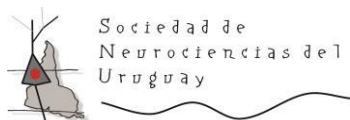

Huma Shah, Coventry University, U.K.

Presentation “LATBrain Foundational Document” (draft)

10:00 – 11:30
